

Financial Fortitude

Women in Business Directory

This directory serves to align with our national initiative of Financial Fortitude and reflects the entrepreneurial endeavors our sorors are making. We encourage you to support your fellow sorors, and help their businesses and our community grow.

Welldom, LLC

KEISHA LEWIS

(703)829-6876

Livewelldom@gmail.com

WEBSITE: www.livewelldom.com

BUSINESS DESCRIPTION: Welldom is an aging in place consultancy founded on the belief that everyone has a right to control their future. We take a ‘whole person’ approach to matching your lifestyle and health needs to your home environment. Our therapists address the full spectrum of aging-in-place needs - from assisting with home redesign using our knowledge of disease progression to evaluating your health profile related to balance, blood pressure, medication side effects, self-care, and activity/disease education and their impact on your home safety.
